Reports from Officers/Boards

City Attorney: discuss #5 when that item is presented. Beason stated that we would possibly get blow back from the police department. People have made a conscience effort to slow down through our town. The department was for the welfare of our citizens, elderly, and children. Recodification will start soon. This will be a monthly agenda item to make sure that all is passed and approved in the specific manner.

Fire Chief: currently out fighting fires. Fee for Fire Department dispatched was discussed. It is under \$400.00. Denton called Adam during meeting and asked for the board to approve the purchase of 2 fire nozzles.

EMS: Resolution was discussed

Police: 80 citations, 16 written warnings, 48 verbal, 20 community involvement, 1 arrest.

Code Enforcement: Mr. McClure will come for trail if need be.

Resolution 2022-7 was approved by Adam and 2nd by Anita. All in favor.... Still the legality of a contract is still a hot topic. No one has reached out to the District Attorney for is thoughts on the matter. The KCD3 has not even contacted by anyone other than the survival flight about the said contract. No contract has been given to Mountain Park Board of Trustees. Mountain Park will pay for the service if it is done properly. Still believes that KCD# is the contracting party and Mountain Park, Snyder and Roosevelt are beneficiaries of the contract.
