

Minutes for the regular scheduled meeting held on June 1, 2022

Meeting was called to order at 7:04 pm

Bob & Regina Edgar

Bob was concerned about what the letter was about. He stated that he has tried for 2 years to get Denton to burn down that structure. This would be the 4th structure that they have took down in trying to keep Mountain Park looking good. They emphasized that they always keep their properties nice and clean. He proceeded that he felt he was being forced by the Town to do something when there were other places in the Town that were just as bad. The board did tell him that he could tear it down and burn it a little at a time. He asked the Board if they were aware of how much it would cost to take down such structure.
