Pappas per Cleet rules is allowed to work 140 hours per month. Archie asked about the budget being able to afford to pay the reserve officers. Adam stated that he just wanted to get the green light to start paying them, since it was taken before the Board when they decided to stop paying. Andrew thought that there needed to be a meeting amongst all the officers so that way there was coverage, and everyone was doing their part. Andrew made the motion to allow the officers to start receiving compensation again, Archie 2<sup>nd</sup> with the stipulations that there was a special meeting that informed the Board members of the rate of pay and the hours that were required to work.
